

SWEET SUMMERTIME!

To our Future First Graders,,

Happy Summer! While summer is a time of relaxation, cookouts, beach days, and ice cream treats, I want to make sure each child goes into first grade feeling confident and prepared. Coming home today is a summer math and reading packet. These will be due the first week we come back to school. This summer packet is designed to help support your student throughout the summer. The packet includes essential practice in literacy and mathematics, which will help strengthen your student's skills and prepare them for first grade! Please remember to continue reading for a minimum of 30 minutes per day as well. It is so important to continue to stretch our brain muscles during the summer months!

We encourage families to designate a special "work space" at home for your student to work on their summer packet. Using a daily planner, calendar, or checklist can often be helpful in creating a routine and consistency around completing summer academic work.

The sky is the limit, I am so proud of each and every student! I hope you have a wonderful and relaxing summer. We are going to have a terrific year in first grade full of learning and growing!

Happy Summer,

Your Future Grade One Teacher

ELA Skills to Review this Summer

Dear Families,

Summer is a time to relax and enjoy time with family. It is also a time when many students lose important skills. This packet has a review of math and ELA skills to review this summer so that your student is ready for firstgrade. In addition, please review the highlighted skills below.

ELA Skills

**Counting syllables,
sentence structure (capitalization
punctuation)
story retelling
finding the main idea,
vowel sounds and rules
sight words
nouns, verbs
word endings**

Please remember to read each and every day! Have a wonderful summer!

Sincerely,

Student Name:_____
