- One package of Crayons
- One package of erasers
- One package of glue sticks
- Three boxes of Tissues
- One roll of Paper Towels
- Individual Hand Sanitizer for own use
- Disinfectant wipes
- One package of baby wipes

In the lower grades some items are shared. Others will be needed at home. We suggest setting aside a quiet place at home to complete homework and keep a shoe box with supplies including pencils, crayons or markers, a glue stick, ruler and scissors. Designating a quiet place with readily available supplies helps establish routines which will benefit students throughout their lives as learners. Don't forget to attend MEET THE TEACHER NIGHT on September 12<sup>th</sup> at 6:00 PM.
